

2018-2019 PVA Committee Descriptions

Academic Boosters: The committee is responsible for working with the administration to reward students for their academic achievement and will assist with the “academic thuses” held twice during the school year.

This committee needs 4-6 volunteers.

Class Breakfasts: This is a one-person position responsible for finding a parent coordinator for each class.

Crusader Corner Store: This committee coordinates the ordering and special sales for the Crusader Corner Uniform and Spirit-Wear Store. Crusader Corner is the only place where *uniform approved* fleeces and sweatshirts are sold. Orders are placed online or at special events.

Committee members are needed to coordinate sale times: Outback Steak Dinner, Homecoming, Catholic Schools Week, and any other event the committee sees fit to sell spirit wear.

This committee needs 3-4 volunteers.

Crusader Sharing: This is a committee created to offer comfort to PC families in times of need. The committee will send cards or flowers or deliver home-cooked meals to families after a birth, surgery, illness or death. Committee members will be called on "as needed".

This committee can use many members.

Faces in the News: This is a one-person position responsible for collecting articles about students or staff “in the news” and creating and maintaining the bulletin board in the main hallway.

Hospitality: This is one of the most appreciated of the PVA committees. This committee works to revive the lost art of hospitality. They do much throughout the year including teacher luncheons, cookies and milk for students, teacher thank you’s and so much more.

This committee needs many volunteers.

Uniform Closet: This is a small committee dedicated to keeping the uniform closet organized. Volunteers must be available during the school day.

This committee needs at least 2-3 volunteers.
